CogSci-Autumn School 2013

19.-20. September 2013

University of Vienna

About the event

PhD-students working in the field of Cognitive Science are welcome to join the methodologically based CogSci-Autumn School in September 2013 to extend their skills and foster interdisciplinary discussions.

Hence this year the School is based on methods, a two-day training MATLAB course will be held on September 19-20, 2013.

Please register at cogsci@univie.ac.at until September 10, 2013, stating your full name and Matrikelnummer!

PROGRAM

19.09.2013
Location: AAKH EDV Room 2, Spitalgasse 2-4, Hof 7

09.00-12.00h	MATLAB course: Introduction to MATLAB, basics
12.00-13.00h	Lunch break
13.00-17.00h	MATLAB course: data structuring, calculations and graphs

20.09.2013
Location: AAKH EDV Room 2, Spitalgasse 2-4, Hof 7

09.00-12.00h	MATLAB course: Introduction to programming
12.00-13.00h	Lunch break
13.00-16.00h	MATLAB course: Programming experiments

Trainer: Bruno Gingras, PhD
